Click on the 'Click here to Enroll a New Student for School' link, above, to enroll a new student.	

Click here to enroll a brand new student to Tahoka ISD. You will click here even if you have other children enrolled.

Once you click on the link, you will need to go through all six steps. <mark>Please be sure to put parent or guardian information in first under the contacts.</mark> After you have entered the guardian of the child then you can add other family or friends that you want us to be able to contact if we cannot get ahold of you. <mark>Also please be sure to put the email address you used to set up your account under the first contact where is says email, and please enter a mailing address as well.</mark> On step 4 be sure to click on the blue oval that says enter student info. You must click on that to enter all of your student's information.

Step five will be all the enrollment forms. You will have to click on each one individually. Once you click save changes you will have to click the x at the top of the page to close that window and then go onto the next form. Once all forms are filled out and signed electronically click on submit to district.

After you click on submit to district you will click on continue to final step. You have to click on this for it to submit it to us.

Once you have finished your registration it will bring you to this page. There should be a check mark by your child's name if everything was done correctly.

If there is a check mark by your child's name you are done and good to go. You can click on back to summary at the top of the page and then click on log out at the top of page. If there is not a check mark by their name please ask one of us.

Thank you very much for Registering online with Tahoka ISD!
